Re: Padgett v. RiT Technologies Ltd. et al., 2:16-cv-04579 (KM)(JBC)

Dear Judge McNulty:

This firm represents the lead plaintiffs in this matter. Kindly accept this letter as the status report you requested in your text order of September 7, 2017.

All five of the defendants in this action are located in the State of Israel, presenting some unique and difficult challenges regarding service of process. As Your Honor is aware, we are in the process of serving all defendants through the procedures provided in the Hague Convention. We have submitted all necessary documents, including translations, to a law firm in Israel that is assisting us with this process. We understand that the Israeli law firm has or soon will submit the papers to Israel's Central Authority for service upon defendants, as required by the Hague Convention. It is unclear when service will be effected through this process, but we will file proofs of service as soon as they are obtained.

As service has not yet been effected, there have been no other developments in this matter to report. Thank you very much for your consideration.

Respectfully submitted,
